Our alumni of the 2015-2019 batch, **Ms. B. Padmavathi, M.E., Anna University (CEG)**, was the resource person for this program. A total of 60 students from second and third year CSE participated in this awareness programme. She shares her experience of preparing for the Gate exam and exploring with the students the opportunities of Gate exams. And also, she informs the students about the importance of Gate exams in their

lives, as GATE also serves as a passport to fly abroad for higher education and get positions in India's leading public sector companies. ONGC, HPCL, BHEL, DRDO, BARC, GAIL, SAIL, NHPC, HAL, BEL, and other well-known PSUs employ the GATE score for hiring. The GATE examination attracts about one million candidates each year, making it one of India's most difficult entry exams. Technical Association President, Dr.K.Vijayalakshmi, HOD/CSE, and Faculty Advisor, Mr.R.Venkatesh, AP (SG)/CSE, have coordinated the event.
